Download the trail app

Don't forget to download the official Trail App by searching 'Tales on the Tyne' in the App Store (Apple) or Google Play Store (Android) and start checking off sculptures as you find them.

Are you ready to hop, skip and jump into an art adventure this summer?

Peter Rabbit™: Tales on the Tyne is organised by and raising funds for St Oswald's Hospice. Thank you for being part of our trail. If you would like to hear more about the charity and how you could make a difference, scan here to visit the website:

Protect the Fluffle!

Our sculptures are one-off pieces of art that have been created for everyone to enjoy. They also have a very important job to do. After the trail, most will be sold at auction to raise funds for St Oswald's Hospice. Refurbishing them to fix any damage caused by people climbing on the sculptures costs the Hospice money, which could be used to provide care and support to North East families.

Please do not climb on our sculptures and help us spread the word about the important role they have and the need to protect them.
